Society of Amateur Radio Astronomers

Allocation to services Region 1 Region 2 Region 3 13 360—13 410 kHz FIXED RADIO ASTRONOMY 25 550—25 650 RADIO ASTRONOMY 37. About 15 traditional owners are involved in the negotiations, representing different groups within the Wajarri. However, the availability today of worldwide, high-bandwidth networks makes it possible to do VLBI in real time.

The Science of Radio Astronomy

The 2020 Africa Data Science Intensive DSI Programme was hosted by the South African Radio Astronomy Observatory SARAO in collaboration with AIMS South Africa, Grailabs and the University of Portsmouth as part of the UK-South Africa Newton Fund Development in Africa with Radio Astronomy DARA Big Data programme, between September 2020 and January 2021.

Essential Radio Astronomy — Science Website

The was also first detected using radio telescopes.

NRAO Very Large Array

Those relatively near the dome during the collapse reported a loud rumble, with some even feeling the ground shaking, similar to the earthquakes the observatory weathered in January.
