## 20 celebrity memoirs read by their authors

Truly I have been out of frame ever since you went, not with a cough, but in another kinde, much indisposed. They were very satyrically written against several persons engaged in the Dutch war, in 1661.

## The Lives of the Poets of Great Britain and Ireland (1753) Volume III by Cibber, Theophilus, 1703

Fun, fast, and very readable. Had I been a sheriff at the time, they should have had huckaback, compared with which they would have found a hair-shirt a positive luxury! London, 1884 230 Brewer, E.

## The Lives of the Poets of Great Britain and Ireland (1753) eBook

This broke the old man's heart. Her tall, graceful form, moving with elastic step through the parterres whose numerous flowers she superintended, and her brow raised in calm meditation from the sacred volume she was reading, were to me beautiful. Limberham, a come- dy pp.

## 01/02/1829 The Atlas

John's younger brother, Simon, was, to some extent, a herald, as appears by a letter from him on the subject of the Manaton coat of arms, preserved amongst the Harleian MSS. This book was published in 1836. She was the pupil of Colley Cibber, and the wife of Theophilus Cibber, who, after throwing her into the arms of a Mr.

## **The Lives of the Poets of Great Britain and Ireland (1753) eBook**

Coutts was Miss Mellon, the Actress, with two play bills of her 1805 inserted. What a triumph to a man like Villiers, to have intrigued with my Lord Protector's sanctified daughter! John Clement, in 1531, were given the same educational advantages as Margaret.

## **The Families and Descendants of Susannah and Sarah Cradock**

But I shall have more to say hereafter touching Gallic influences incidentally; I will therefore turn from persons and places to things, and, hat in hand, discourse of what I hold.

## **01/02/1829 The Atlas**

These institutions are on the grandest scale, and were liberally endowed by the generosity of former ages; but at that time many of them abounded in abuses and defects of every description. Though whole-hearted in her patriotism, Fanny Fern is not a political bigot. A great show biz biography, especially as read by the author.

## **The Learned Lady in England 1650**

SIDDONS iii principle of his art, — and in his Hamlet there were gleams of gentlemanly gaiety, that sat upon his general gloom, as the bright border of the sun- beam upon a watery cloud. My friend, John Ban- nister, gave me the following accurate detail of his own reception by Garrick ; and even in the narrative veneration of the actor, the reader may indulge a smile at the vanity of the manager. It is, however, not improbable that its destruction was commenced by its patriotic owner in order to prevent its occupation by the enemy.
