Scenes of Clerical Life

He has no medical degree and inherited the position of village physician from his father.

Typings: George Eliot's Scenes of Clerical Life

George Eliot: Voice of a Century.

George Eliot's Ugly Beauty

Whereas Silas Marner presented the moral patterns of renunciation and self-indulgence with unparalleled clarity, Middlemarch explores them with profound subtlety and psychological insight. I thought this one took a little long to get going and in the beginning there was too much simple picturing of the people of the town, so I'd say it's the weakest; but it does get going and makes a pretty good story as well. Gilfil seeks her out, helps her recover and marries her.

The clerical character in George Eliot's fiction

Their plan of relieving their childlessness by adopting Eppie comes to nothing when Eppie tells them that she can only think of Silas as her father. But, before she could do that, her brother seduced her maid and promised her marriage.

Analysis of George Eliot's Novels

Tom is especially adamant in condemning her.

Queer and unked: disability, monstrosity, and George Eliot's 'Sympathy'

Barton believes that the request was unfair, knowing that the vicar's brother-in-law is in search of a new parish in which to work. In the melodramatic ending, therefore, the issues raised by the novel finally remain unresolved.

Typings: George Eliot's Scenes of Clerical Life

One party, headed by the lawyer Robert Dempster, vigorously supports the old curate, Mr Crewe; the other is equally biased in favour of the newcomer.
