The UFO handbook : a guide to investigating, evaluating, and reporting

A great loss to the public UFO investigation movement.

UFO Crash/Retrievals: Search for Proof in a Hall of Mirrors (Status Report VII)

Mysteries of the skies; UFOs in perspective

Most eye-opening is the crucial role of True editor Ken Purdy, who, if we are to accept this account, played a major part in defining the belief proffered by Keyhoe that flying saucers are interplanetary craft and that the government knows this and is covering up this knowledge. Bill Warren's Keep Watching the Skies.

Light Years: An investigation into the extraterrestrial experiences of Eduard Meier.

I know it was the exact same spot.

The Secret Power Of The Pyramids.

Believing the story to be a joke, Fowler ignored it. This four-part chronology examines early rocketry and missile development at the beginning of the Cold War; and the complex interplay with mysterious aerial phenomena called ghost rockets, and unidentified flying objects. Since crashed saucers can at least be linked to saucers, Moseley is able to provide information on this part of the scene, even if he and Pflock don't believe the claims.

Deep Black

A new foreward by Leslie Shepard tells a bit of the 'anti' side of the Keely story. It took off, and his engine started running again.

Melbourne Episode: Case Study of a Missing Pilot

A good book for a general introduction to current intelligent-life-not-of-this-earth thought.
