## **Redevelopment in Camden, NJ**

Most of these neighborhoods are in Northeastern cities where African Americans moved during 1914-1950 a period when over a million moved out of the rural to escape the widespread of the South, to seek out employment opportunities in urban environments, and to pursue what was widely perceived to be a better life in the North. I suggest to all those who get this that they stop wasting their time arguing with people who have the reasoning skills of a 5-year-old and the emotionality to boot. Let us hear the lady sing.
