Canada Gender and Women's Studies University Programs

After losing her seat in 1988, she dedicated herself to humanitarian work and other projects. These accommodations ease the return to academia after traditional maternity leaves. Moving back to Canada, with family nearby, she began a new relationship.

Women who take extended maternity leave face a tougher return to work

Study and Work in Gender and Women's Studies in Canada What is Gender and Women's Studies? What is Gender and Women's Studies? But, other examples do exist, albeit elsewhere. She continued to devote herself to improving the salaries, pensions, and working conditions of rural and retired teachers well into the 1960s. She moved to the Netherlands with her husband in 1937 and joined a network of the resistance in 1940, sheltering Allied airmen in her home near Laren.
