Large numbers of younger disabled persons are being placed in elderly projects, not because they want to live with older people, but because no reasonable alternatives exist.

Military Construction Appropriations for Fiscal Year 1994 : Hearings Before a Subcommittee of the Committee on Appropriations, United States Senate, One Hundred Third Congress, First Session, on H. R. 2446, an ACT Making Appropriations for Military Constr by United States Construction (2018, Hardcover) for sale online

Armed Forces will be carefully evaluated. The highest construction funding priority belongs to those projects that will enable the existing facilities to meet modern safety standards.

The proposal to charge private insurance companies for the care of service-connected disabled veterans represents, in our opinion, a fundamental shift in our nation's moral obligation to care for its sick and disabled service-connected disabled veterans. Books and related course materials may be purchased, as well as audio-visual materials for use in presenting educational offerings.

United States House Committee on Appropriations (United States. Congress. House. Committee on Appropriations)

Buxton, we will turn to you, acknowledging that the American Legion is not part of the independent budget but part of the overall SWAT team for the veterans on Capitol Hill.
