### The Future of Performance Reviews

Gartner helped us with the development of our own teams. They will know what works in print, but may not work on line. We suggest, too, that the line separating the top from the middle of the organization will be drawn more clearly and impenetrably than ever, much like the line drawn in the last few decades between hourly workers and first-line supervisors.

### 6 Trends That Changed HR Over the Past Decade

As dissatisfaction with the traditional process mounted, high-tech firms ushered in a new way of thinking about performance. How would you characterize his leadership style? But because they may not be counted under the same rules used by AAM, these independently produced figures cannot easily be merged with the AAM data.

### 2020 Healthcare Trends and How to Prepare

**Money Matters** Our respondents reported some good news and some bad news when it comes to revenues and budgets for their facilities. Do we end up with a new kind of managerial elite? That led to a rise in outcome-based bonuses for corporate leaders—a change that trickled down to frontline managers and even hourly employees—and organizations relied even more on the appraisal process to assess merit. Kurien and his managers work hard at boosting employee morale, offering rewards—pens, caps, or shirts—to employees who submit suggestions to kaizen

boxes.

### **Readership and Circulation Trends**

Despite waist-high water and treacherous conditions, we had several international orders that needed to be shipped the Wednesday after Hurricane Harvey hit.
