DIMENSIONS OF THE FUTURE: The Spirituality of Teilhard de Chardin.

It is inter-connected, a universe groping its way forward and upwards through trial and error, sin and grace. Chardin responded with complete obedience throughout the whole of his lifetime. John Paul II, Pope Emeritus Benedict XVI, Cardinal Avery Dulles SJ, Cardinal Christoph Schönborn and many others, including the well-known blogger and spiritual author founder of Centre for Action and Contemplation.

The Evolutionary Spirituality of Teilhard de Chardin

The man fell to his knees in the fiery chariot which was bearing him away. Unity is the unity of matter and spirit into life, unity of inner-consciousness of the self and outer-consciousness of the fundamental relationship of self to all others and to the whole universe and finally to unity of intimate fellowship between Creator and all of His creation — the ultimate Omega Point of evolution.

A Cosmic Spirituality for a New Theology; Teilhard de Chardin's Evolutionary Journey to Omega Christ by Aidan Hart

Through Him, all creation will be restored fully and eventually by God.

A Cosmic Spirituality for a New Theology; Teilhard de Chardin's Evolutionary Journey to Omega Christ by Aidan Hart

It is not that we and God are one and the same person but that, while remaining distinct, God abides intimately within everyone He creates and they within Him.
