Forbidden Territory: Stanley's Search for Livingstone (1997)

The doctor had set off in August 1865 to find the source of the River Nile.

When Stanley Met Livingstone

While he did sometimes get in fights when negotiations and gifts failed, the image of Stanley shooting his way across Africa was a myth. At age 33, not long after finding Livingstone, Stanley found love.

The Livingstone

As a young orphan in Wales, he crossed the Atlantic on the crew of a merchant ship. He asked me to tell him the news. A modern Odysseus can try lashing himself to his browser with software that prevents him from hearing or seeing certain websites.

BBC

A modern Stanley can use the web in the same way that the explorer used the social media of his day.

Stanley and Livingstone

They are neither black nor white, neither good nor bad, neither to be admired nor hated.

Map of part of Eastern Central Africa shewing the Routes...of Henry M. Stanley whilst in search of Dr. Livingstone

Specifically, he hoped to exploit the fame and mystery surrounding British explorer Dr. By the time they arrived at Ujiji, a remote village in what is now Tanzania, they had crossed more than 700 miles of territory. Followers of the great explorer can decide for themselves.

The Livingstone
