## Publications

It predisposes the child to have a biological basis for fear, though he may act and pretend otherwise.

### Adult Survivors of Emotional Child Abuse

The abuse started early in childhood and when I turned 10, the physical abuse started. What did they do to you? Cumulative hazard function shows the probability of sex offending at each age given not having been charged with a sex offense up to that age. All the king's horses and all the king's men, and all the expensive therapy in the world cannot take away what has happened to them, nor give them back what they lost.

### Wounds That Time Won't Heal: The Neurobiology of Child Abuse

School age children's coping with sexual abuse: Abuse stresses and symptoms associated with four coping strategies.

### The invisible wound (1993 edition)

Appointments scheduled within 24 hours. The damage is due to the interweaving dynamics of: a.

### Overcoming Incest: 7 Steps for Healing the Scars of Abuse

And because I was a child when the abuse happened to me, I knew how important it was to be able to walk with others through their own trauma. When dealing with spiritual or emotional wounds, carrying around baggage guilt, shame, fear, etc.

### Forms of Social Support That Moderate PTSD in Childhood Sexual Abuse Survivors

Whenever victims of abuse seek spiritual support and guidance, the Church must not turn its back.

## **7 Ways Family Members Re**

A collection of stories by and about survivors — challenging the silence. You fear biblical submission—afraid of losing control. I have a powerful teaching just on this very subject which I recommend anybody seeking an inner healing to read.
