### Marian McQuade

Grandparents Day is a perfect opportunity to show the seniors in your life that you love and appreciate them. I'm glad she stuck with it. Marian McQuade Jacob Reingold National Grandparents Day is rooted in the innovative work of two committed and passionate pioneers: Jacob Reingold and Marian McQuade.

### Marian McQuade

Their work culminated in 1978, when the United States Congress passed legislation proclaiming the first Sunday after Labor Day as National Grandparents Day. On the first Sunday after Labor Day we celebrate National Grandparents Day.

### National Grandparent's Day

McQuade made it her mission to spread this idea across the nation, and by 1978 the holiday was recognized in every state.

### Generations United

It is also a day of giving — giving of self, sharing hopes, dreams, and values; and setting an example and advocating for future generations.

### Grandparents Day: To Grandmother's House We Go! Hooray!

No matter your choice, grandparents are sure to appreciate the sentiment and enjoy the opportunity for a little more family time on National Grandparents Day.
