Even 2013's The Secret Life of Walter Mitty which is a light-hearted adventure comedy, has at its core a central character with a deep desire to escape his life.

### Are Ben Stiller and Christine Taylor back together 2 years after separation?

Known primarily as a comedic actor, Ben Stiller started taking dramatic turns all the way back in 1998 with Permanent Midnight, when he played the heroin-addicted writer, Jerry Stahl.

### Are Ben Stiller and Christine Taylor back together 2 years after separation?

But it's very important to me. For the most part, Stiller and Taylor effectively kept any relationship troubles they may have had out of the headlines, but obviously there were issues. Smith, they began dating immediately after his divorce from Jen after five years of marriage.

### The reason Ben Stiller and Christine Taylor split

And as with any divorce, there were clues along the way that there may have been trouble in paradise, even for the seemingly happy and private couple. Then there are the stories from the unfortunate people who have worked for Stiller. You reach this point in your life where you go, 'I have to take stock.'

### The reason Ben Stiller and Christine Taylor split

Again, do we know for sure that his work interfered with his marriage? We've discussed a lot of hypothetical reasons for why Ben Stiller and Christine Taylor's marriage ended, so let's finally get into the nuts and bolts of this thing. Here are some of the reasons Ben and Christine Taylor split. In a 2011 interview with , Stiller talked about his marriage in a cagey, dinner party polite kind of way that indicated he and Taylor had worked through some significant strain.

### **Ben Stiller**

But you have to accept that people change. We've gone through ups and downs, but it's all been leading toward us becoming more and more connected. Granted, this is pretty speculative, and a bit of a stretch to extend these themes to Stiller's own marriage, but it's fair to ask what attracted Stiller to these roles, and if, indeed, there was a degree of art imitating life.
