Victor HUGO (1802-1885)

La coccinelle

Els me dit : Quelque chose  
Me tourmente. Et j'aperçus  
Son cou de neige, et dessus,  
Un petit insecte rose.

Jaurais dû - mais, sage ou fou,  
A seize ans on est farouche,  
Voir le baiser sur sa bouche  
Plus que l'insecte à son cou.

On adit dit un copillage :  
Des rose et baht de noir.  
Les fauvetts pour nous voir  
Se penchaient dans le feuillage.

Sa bouche franche était là :  
Je me courbai sur la belle,  
Et je pris la coccinelle ;  
Mais le baiser s'envala.

- Fils, apprends comme on me nomme,  
Dit l'insecte du ciel bleu.  
Les bêtes sont au bon Dieu,  
Mais la bêtise est à l'homme.

Consumer feedback is so important to us as it helps us when making decisions about our products, such as this. Thank you for inquiring about POÈME! POÈME is a scent of contrasts: the icy transparent notes of Blue Himalayan Poppy embrace the intoxicating Desert Datura Flower and warm Vanilla—creating something vibrant, sensual and long-lasting.

## Poême Parfum Spray

The whole process was so efficient. When the day finally arrived Olivia described it as the most beautiful, calm, sunny day which started with coffee and a walk on the beach with Alex.
