Paul Outerbridge Photographer

Outerbridge knew Eduard Steichen very well.

Paul Outerbridge Estate Collection

Outerbridge does sit at crossroads that go in many directions. Only a second ago, I

noticed that Outerbridge took a pull at the bottle at some stage before making the picture — the level is below the neck label that bears the single word Italy. I seem to remember but cannot now find a description of him drinking too much in the late 1930s.

Paul Outerbridge Photographer

In , in 1925, the invited Outerbridge to exhibit in a one-man show. He was a first-rate commercial person, and a first-rate artist, too. The sexualized charge and commercial palette of works such as this were not in keeping with attitudes of the period and were not shown And then indeed, not shown becomes the phrase of his life.

Kandinsky, 1937, by Paul Outerbridge, Jr.

Paul Outerbridge, while still in his teens, worked as an illustrator and theatrical designer creating stage settings and lighting schemes.

Paul Outerbridge

Paul Broens is a Dutch photographer who found his voice by capturing architecture. Alternative photography pioneer Jill Enfield comes from a long line of photographers dating back to 1875-the date when her ancestors opened up gift stores in Germany where they sold cameras and other technical equipment.
