### Yanxiu Park

Large fields were suitable for regulation lacrosse and other field sports. To our knowledge, no study has attempted to establish the financial costs associated with providing park facilities and amenities most supportive of physical activity during a park visit. Lights should be vandal resistant and easy to maintain.

### Yanxiu Park

These zones ranged from an open area with painted lines to a full field with goal posts, either situated apart from other fields or facilities or located inside a track. Each individual facility contained six courts.

### National Park Service

The Office of Legislative and Congressional Affairs serves to facilitate the appearance of NPS witnesses at congressional hearings, articulate NPS positions on legislation proposed by Congress, and coordinate NPS responses to congressional committee oversight requests and other inquiries from the Hill.
