### Fashion Designer Job Description: Salary, Skills, & More

There are various ways to find work in the fashion industry as a designer and it depends on the type of designing you're interested in.

### Fashion design

Work Environment Most fashion designers work for wholesalers or clothing manufacturers that produce clothing and accessory items for retailers, and employers are concentrated in New York and California. Heat will dry out leather and the lifespan of the shoe will be cut in half. But with so many pieces and so few guidelines, where do you even begin? If your top is skimpy, go for full-coverage bottoms.

### How to Prepare a Fashion Design Portfolio: 13 Steps

Being realistic means recognizing that it's pointless trying to sell a lot of haute couture to people who only want career clothing in a semi-rural town while it's no good trying to sell bikini to the Inuit. In some cases, being versatile will help you a great deal, just so that you get the experience and then jump across to your real passion later.

Look at magazine covers for inspiration. Wear it on the weekends with jeans, over gowns to formal events, layered with a fur stole when the weather gets colder, over your shoulders during the spring—the possibilities are endless. You will need more than that as you start creating and saving your designs.

I can draw very good but I still like duplicating my hand drawn sketches in Digital Fashion Pro for a more realistic look. They get so caught up in the hype of how brilliant clothes look on a size 4, they cannot see the inherent danger in the message. Ideally, that person should be a mentor, such as a teacher or someone close to you, who has some experience with building portfolios and can provide feedback on how effective your ideas will be.
