## History of Learning Disability

American Medicine Comes of Age, 1840-1920: Essays to Commemorate the Founding of The Journal of the American Medical Association, July 18, 1883. New York: New York University Press. Perhaps these statistics are misleading, but then we need to look carefully at the total evidence.

## Vol. 29, No. 2, Winter, 1995 of Journal of Social History on JSTOR

The proponent of equal opportunity would urges us to get beyond racial and gender criteria in assignment of offices and opportunities and treat each person, not as an average white or Black or female or male, but as a person judge on his or her own merits. Austin: Texas State Historical Association, 2003.

## DeepDyve

Down syndrome affects about 1 in every 730 live births and occurs in all populations equally. Perhaps we should simply admit that we lack sufficient evidence to pronounce on these issues with any certainty - but if so, should we not be more modest in insisting on equal results? Early Medical Photography in America, 1839-1883. Medical education: Institutional Davenport, Horace W.

## Severe Retardation

An Alternative Path: The Making and Remaking of Hahnemann Medical College and Hospital of Philadelphia.

## History of Learning Disability

The College of Physicians of Philadelphia: A Bicentennial History.

## **DeepDyve**

Alternative Medicine and American Religious Life. Outside such environments, an individual may navigate a normal course in life.

## **DeepDyve**

As it is he profited from the injustice, and excelled in basketball, as I would have done had I had my proper dose. Still, there may be something intuitively compelling about compensating members of an oppressed group who are minimally qualified. In the end, we will be better off by honoring excellence.

### **Abandoned to Their Fate**

It is caused by a filterable virus that is spread by droplet spray from the respiratory tract of an infected individual.
