## Key Risk Indicators

Calls for the Member States to agree goals to be achieved by the year 2000 regarding the provision of new technologies within public educational and cultural institutions, including libraries; 4. The Committee stresses the importance of cooperation among states and international institutions in addressing pandemic outbreaks. It is also important for the Commission to coordinate the wealth of local and regional initiatives that take place in most of the Member States which are dispersed and generally not concerted, in order to provide publicity, and to disseminate experience and good practice.

## Arts, Culture, Entertainment and Design

In attendance were committee members: Regent Tilles, Chair, Regent Cea, Regent Cottrell, Regent Onderkirk and Regent Mead. For a number of years now, producers have been cooperating with teachers to design and exchange educational products which can be used in the classroom.

## Cultural Assessment Report Template

A pandemic outbreak is not an occasion for seeking political or economic advantage. The faculty met after school in the media center, held hands, prayed, and shared stories about the assistant principal.

## Cultural Education

The deadline for tabling amendments will appear on the draft agenda for the part-session at which the report is to be considered. This includes abuse that has, or is suspected to have, taken place within or outside of school grounds and hours. Wagner told attendees at the April 2005 convention.
