Barrier about a quarter the size of any of the major collections made by the South Asia Microform Project SAMP.

The British Library : The Reference Division Collections by Janice Anderson

Once you have established that a series contains photographs you can use the series search, and the keyword tips in section 3.

Seventeenth and Eighteenth Century Burney Newspapers Collection

Contents: The British Library Reference Division.

Catalogues and Collections

New York: Sterling Publishing Co. Humanities Enquiries and sent to: The British Library 96 Euston Road London NW1 2DB United Kingdom One set was taken between 1980 and 1983 by the Photographic Branch to provide a complete record of police station buildings; the other contains earlier photographs, with brief histories of the stations attached.

Explore the British Library

Among our holdings are photographs of factories, power stations, mines, roads, harbours, reservoirs, airports, train stations and almost every other element of the national infrastructure. All documents are in English except the Bible. In the mid 1960s Turner began teaching part-time at the University of Cambridge and the University of East Anglia, repurposing as teaching material two booklets he had authored on English and European illumination.
