

Petrology of Anvers Island and adjacent islands

Published for the Colonial Office by H.M.S.O. - Joint geophysical and petrological models for the lithosphere structure of the Antarctic Peninsula continental margin

Description: -

Sanskrit philology -- Congresses.
Letters rogatory -- Great Britain.
Evidence (Law) -- Great Britain.
Photography
Subjects & Themes - Plants & Animals
Novelty
Non-Classifiable
Science
Reference works
Petrology -- Antarctica -- Palmer Land.petrology of Anvers Island and adjacent islands

-
Scientific reports (Falkland Islands Dependencies Survey) -- no. 34.
Scientific reports / Falkland Islands Dependencies Survey -- no.
34.petrology of Anvers Island and adjacent islands
Notes: Bibliography: p. 68-69.
This edition was published in 1962
