## 25 Best Blue Paint Colors 2020

Then use a stencil sponge or pencil to mark through the registration dots in the corner of the stencil sheet. This explains why painting with glossier paints often requires a second, or even third coat, while flatter paints may cover adequately with a single coat. Yes, more than likely it is! While some flat paints are now advertised as washable, it's often more effective to touch up scratches or marks by covering with a bit more paint, so be sure you keep some on hand after you've finished painting.

## Best Spray Paint for Your Project

Living Area: Make Sure Your Sofa Talks to Your Chairs Arthur Mount Think of a nice hotel lobby: The furniture is arranged in groupings that invite conversation.

## Painting & Decorating: The Novice Painter's Guide to Greatness
