The can drop 25 degrees or more every time you open the oven door. In addition to selling online, you could also market this service to people in your local community.

50 Small Businesses You Can Start on Your Own

This cuts down on litter and prevents animals from getting a hold of them. Large pictures make it look extra long. Instead of cleaning it up themselves, they might hire someone to do it regularly, two to three times a week.

Kids vs. Plastic

Wild animals get tangled in these products, and they end up in the ocean being ingested by small fish and killing off beneficial microorganisms. But that single-use plastic doesn't disappear when you're done with it: Most ends up in the ocean, where it can entangle animals or make them sick.
