

European works councils - the French Comité de Groupe and the challenge for Britain

typescript - Channel Tunnel

TCI
European Works Council Directive (History)

- 30 years debate within EU on 'Participation' of employee representatives
- Autonomous trade union initiatives for works council/networks failed in the seventies
- EWC Directive adopted on 22 Sept 1994 by EU Council of Ministers (Opt-out United Kingdom)
- Transposition into national law by 22 Sept 1996
- Extension to UK 1997/1999
- Revision to new EU member states 2004 and 2007
- Directive provides for information and consultation of employees on transnational matters
- Directive does not set legal requirements for standards EWC's but requires negotiations at company level for EWC an 'agreement/ Constitution/ Negotiations in the shadow of the law'
- Revision of Directive ongoing

Channel Tunnel

An estimated 3,000 to 5,000 migrants were waiting in Calais for a chance to get to England.

Fascism in Europe today • International Socialism

Foreign Broadcast Information Service and United States.

Paris Attack Updates, Day 3: Two Hostage Situations

The third seminar in the series will focus on matters relating to education, specifically how educational systems in different countries recognize children of diasporas and their specific needs. Despite former conventions, in an assembly held at Melun in December 1230, he compelled several lords to sign an agreement not to authorize Jews to make any loan. The law should be promulgated soon by the Argentinian president.
