Provenance Interchange Working Group

The test will be conducted over at least three iterative cooperative test-report-test phases engaging algorithm developers. The Working Group will select an appropriate name for the language.

Records of Interdepartmental and Intradepartmental Committees

General records of the committee, 1947-49. Each subcommittee identified priorities and developed a report to the TBDWG that described current efforts, gaps in research, and potential actions relevant to their topic. This process will culminate in the publication of reports on this website and in the open literature.

TBDWG Reports

Sociability has traditionally been explained in terms of ecological factors, such as predation and resource distribution ,

Face in Video Evaluation (FIVE)

The TBDWG discussed the subcommittee reports during public meetings and incorporated certain content and action items into the 2018 report to the HHS Secretary and Congress.
