In the United States, it was only this past June that the government its first-ever domestic grants for these purposes.

The Counterterrorism Conundrum: Exploring the Evolution of South Africa's Extremist Networks

Radical Islamist terrorist groups have developed and used methods that have challenged United States counterterrorism efforts, including establishing state-like governing institutions within their safe havens, deploying sophisticated explosive devices to defeat aviation security measures, and using high-quality media products to recruit extremists in the West. To be fair, the formal counterterrorist policy pronouncements of both the Bush and Obama administrations tended to be sketchy on operational details—such is the nature of dealing with a diverse and changing adversary. Department of State Coordinators for Counterterrorism Ambassador Robert B.
