## Torah and Evolution: Early Genesis as a Metaphor

This website allows dissenting comments and beliefs, but our comment sections are not a forum for ongoing debate. One is random, the other structured. For instance, the Catholic believer must believe that Jesus, from the viewpoint of historical science, really is both God and man, that Jesus really did rise from the dead, and that He really did ascend into Heaven, a place that really exists.

## Chance or Purpose?

They say that Catholics who accept evolution as compatible with Catholic faith are material heretics.

## Does the Theory of Evolution Harmonize with Bible Creation?

Richard Bozarth, The American Atheist, September 1978, p. I know Robert and he, like me, take the Bible literally unless hermeneutics clearly indicate it is symbolic, allegorical, or parable-imagery. Victor Marshall : Thank you.

## An end to the war between evolution and Christian theology?

Three other distinctions are important here.

## How Evolution Flunked The Science Test

Anthony Rizzi, The Science Before Science Baton Rouge, LA: IAP Press, 2004 , p. His world is limited to bananas, to reproduction, to his environment and his needs. It is time all this nonsense ceased.

And on the sixth day God created the lower land animals, higher animals, and man.

In fact, many — so this concept is not new to Judaism. Indeed, given the specific evidence agreed to by the majority of New Testament historians, I think that it is quite probable that in fact Jesus rose from the dead. This hypothesis, if accepted as true, is completely inconsistent with the 6-day creation hypothesis.
