We know that it happened before the 28th of that month.

Francis Makemie: Pioneer of Religious Liberty

Barred from the Irish University because he was Presbyterian, Makemie took a degree from the University of Glasgow. Articles, forums, and book reviews in Church History address a range of topics dealing with the history of Christianity from its precursors to the modern period, as well as interactions of Christianity with its host cultures and with other religions. His long-term vision and yearning for a truly free country places him among the great heroes of our history.
