### La Roux

As such, over the years I have bought every cast album I could get my paws on .

### Bruno Blum

. It was filmed at the in London in 1997, with the cast selected from various past and then present international productions of Cats. Billington also specifically traces the rise of the jukebox musical genre back to Cats, citing the latter's disregard for dramatic text in favour of an all-encompassing theatrical experience.

### Scorpions (band)

After the tour Francis Buchholz, the band's long-serving bassist, left the group.

### Cats (1998 film)

There was no 'Battle of the Pekes and the Pollicles', one of my favourite songs, and 'Mungojerrie and Rumpleteazer' was very different. That is how you can tell the difference between the two shows.

### Sydney 1985/Australian Cast Recording

On 24 January 2010, the band announced their initial intentions for Sting in the Tail to be their last album, and the tour supporting it their final tour, although the band later made the decision to continue recording past the end of the tour.

### Jeff Koons

Lloyd Webber thus decided to turn Practical Cats into a musical, co-produced by Mackintosh and the 's. Jeff Koons: Conversations with Norman Rosenthal.
