### Environmental impact of Alberta tar sands 'horrible,' expert says (PHOTOS)

Other activists watched from platforms in nearby trees.

### Keystone and the Riddle of the Tar Sands

She, Braun and other leaders knew their work was dangerous.

### Telling their stories: The fight to stop the Keystone XL tar sands oil pipeline

The following day, the youth-led Sunrise Movement held similar actions all over the country. After more than a week, TC Energy made the legally dubious move of bringing its equipment outside the designated construction right-of-way to skirt around the tree village.

### The Angel of the Tar Sands

While there is still talk of nationalizing oil and tar sands oil in Canada, and in some polls a majority of Canadians support the idea, that couldn't possibly happen with Harper in power.

### A tar sands travelogue blends comic book art with investigative stories

Few environmental campaigns have touched so many people over such large swaths of the continent.

### Tar Sands: Environmental justice, treaty rights and Indigenous peoples

A moratorium on development is required until the concerns of First Nations and Métis regarding the many serious issues that have been raised by this breakneck industrial development are addressed. Over the next few years, even larger acts of mass resistance to pipelines exploded across the continent. He served as an official spokesperson for the Tar Sands Action.

### The Angel of the Tar Sands and Other Stories

Things never got to that point, though. It imperils the environment, poisons the oceans, and is threatening to turn part of Japan, one of the most advanced nations on the planet, into a for decades to come.
