## **Enemy Aliens: Double Standards and Constitutional Freedoms in the War on Terrorism**

My other objection is that Cole takes a politically correct view on terrorism. No Equal Justice: Race and Class in the American Criminal Justice System was named Best Non-Fiction Book of 1999 by the Boston Book Review, and best book on an issue of national policy in 1999 by the American Political Science Association. The targeting of particular racial, religious, and ethnic groups will, like the Japanese American internment during World War II, be remembered as a shameful moment in American history.

He lives in Washington, D. Eichman, which extended First Amendment protection to flagburning; National Endowment for the Arts v. Most of the 9-11 hijackers and other Al-Qaeda members- not to mention bin Laden himself- are in fact financially well off.

## **Enemy Aliens**

Such a policy would damage relations between the U.
