The Chinese Model of Law, China's Agenda in International Law, and Implications for Democracy in Asia and Beyond

Several important multilateral treaties, particularly in the human rights field, require states parties to report on their compliance and to send representatives to appear before treaty-monitoring bodies to explain how they have complied or why they have not.

Business Ethics in China

Therefore, we wish you an insightful and pleasant reading. Based on a review of the extant literature, we provide an overview of some of the key challenges for foreign companies in China, and provide directions for future research and business practice. In this form, self-help on the international scene looks less like vigilante justice than it may have before the advent of the UN Charter and the Geneva Conventions on the use of armed force.

Workplace stress

We are a Swedish faith-based organization established in 1966. The Starbucks experience conveys status that is highly appealing to those aspiring to Western standards or to climbing the ladder in their own culture.

Enforcing International Law

Journal of Business Ethics, 73, 11—20. In this set case Mr.
