## ancient Egypt

The access to it is by a long and narrow passage which commences in the north side of the pyramid, about seventy feet above the original base, and descends for forty yards through the masonry, and then for seventy more in the same line through the solid rock, when it changes its direction, becoming horizontal for nine yards, and so entering the chamber itself.

## Growing up and Getting Old in Ancient Egypt by Rosalind M. Janssen, Jac. J. Janssen, Paperback

West of the Nile was the arid , broken by a chain of oases some 125 to 185 miles 200 to 300 km from the river and lacking in all other resources except for a few minerals.

## Growing up and Getting Old in Ancient Egypt by Rosalind M. Janssen, Jac. J. Janssen, Paperback

Let the superintendent carry it on in the way that is desired; let all those employed upon it be vigilant; let them see that it is made without weariness; let every due ceremony be performed; let the beloved place arise.

## Ancient Egypt for Kids

Outside Bek's workplace, some young children are spinning tops or playing with dolls and toy animals. Kawit is learning to sing and play a harp. And killed each other with impunity and regularity.
