### Tent

Void where prohibited, taxed or otherwise restricted. Backpacking tents traditionally had steeply sloped walls, minimal floor space and hardly any headroom. For example, setup options range from inflatable to pop-up and may require more than one person.

### Backpacking Tents: How to Choose

You often see DAC Dongah Aluminum Corp. Rain flies come in many sizes to allow for any view and ventilation adjustments.

### Camping Tents for sale

A tapered floor provides needed room for shoulders and arms, while also saving weight by having a narrower foot. You take the folded pole sections out of the bag and unfurl the skeleton, seating segments as you go. More Reasons to Shop at REI REI carries top brands like , , and.

### Canopies & Carport Tents

The vast majority of hikers, especially newcomers to the backcountry, will choose a three-season tent. It is designed to protect against rain and provide ultraviolet protection as well. Choosing a multiperson tent with a single door, though, cuts weight and cost.
