Ferdinand Marcos

My point is that the Philippine economic system was loaded with incentives for rent-seeking, with the US a major contributor to those incentives.

Kinship politics in postwar Philippines: The Lopez family, 1945

Many Filipinos believe the country needs a strong, no-nonsense leader to help overcome its struggles with corruption, poverty, drugs and crime.

Marcos family

Violence was at a peak. It is a record of the rise of democracy, the redemption of the Filipino people, a story of very, very smart women who do not make foolish choices, a chronicle of nonviolent resistance and an unabashed tribute to God the Father and to Mary, the Mother of Jesus.

United States Colonial Rule in the Philippines

While the report obtained by the NY Times speculated saying that story could be used by Marcos to justify Martial Law, as early as December 1969 in a message from the U. The Blood of Government: Race, Empire, the United States and the Philippines. In a speech before his fellow alumni of the University of the Philippines College of Law, President Marcos declared his intention to lift martial law by the end of January 1981.

The Fall of the Dictatorship

And then there was this: the role of the press, print and electronic.
