### Home Safe Home: 8 Security Tips Every Family Needs

Kids should have access to a phone; a list of emergency phone numbers; and a trusted friend, family member or neighbor, and know what to do if they encounter an emergency situation in the home.

### 7 Ways to Protect Your New Home

Educate yourself and your family.

**satis.farmjournal.com: Prepper's Home Defense: Security Strategies to Protect Your Family by Any Means Necessary (Preppers) eBook: Cobb, Jim: Kindle Store**

Prepper Dream Home — Virtual Tour This is probably a bit ambitious for most of us, but we can dream, right? Neighbors who are at least friendly with one another, if not friends, tend to look out for each other. When not providing content writing services for her clients, she can be found browsing home décor sites or spending time with her family. .

### Home Security Tips to Help Protect Your Family

Even small dogs can be an effective deterrent due to their tendency to be barkers. I really like the action tips throughout that tell you to put down the book and check out something in your home.

**Prepper's Home Defense: Security Strategies to Protect Your Family by Any Means Necessary: Cobb, Jim: 8601404525636: satis.farmjournal.com: Books**

Could there be extra keys floating around with strangers? Working under the cover of darkness is a must for burglars, and when you take this cover away they will move to easier targets. Install Security Lights - A few lights placed in strategic areas makes a huge difference in visibility. .

**Home Security Guide: How to Protect Your Home & Family with Security Systems, Cameras, Companies, Alarms, & Automation: Jones, Bob: 9780359686452: satis.farmjournal.com: Books**

I feel Cobb tells readers what they should hear which is a credit to him . Overall, I still think it's well written and very good, just not sure I'm the target audience on this one.

**Home Security Guide: How to Protect Your Home & Family with Security Systems, Cameras, Companies, Alarms, & Automation:  
Jones, Bob: 9780359686452: satis.farmjournal.com: Books**

Murphy gives excellent advice for securing your home and families from people who seek to do it harm. I think it's mainly written for those who have a greater risk of home invasion lots of cash, or jewelry sales, etc. The author stresses that home safety is not just an easily achievable goal, but a mindset to carry with you through life, and I think that more than anything is the start to feeling and becoming more safe in the world today.
