Inclusion Activities That Work! Grades 6

And we are working to increase diversity in all our management teams. Even if you can't meet in person, you can easily meet with other teams using video conferencing tools. People also ask: Q: What are some fun work activities? First, biases can only be reduced rather than completely eliminated, and it is difficult to control biases that are unconscious.

5 diversity and inclusion activities to build belonging on teams

An instance when someone went out of their way to make you feel included? Be respectful of these days when scheduling meetings, and understand that employees may have different needs and require flexibility. You will truly help your workforce feel connected and included in larger company initiatives and goals.

Diversity & Inclusion Activities To Do With Your Team— Crescendo DEI

Expert tips for leaders to build inclusive workplaces Michelle Kim, the CEO of who is passionately changing the face of diversity and inclusion efforts within organizations, offers three essential tips for leaders to build inclusive workspaces.
