### FOLIE DOUCE, Arcata

. More We stayed a night in the town of Arcata for our birthdays and tried this newer restaurant just up from the main town square.

### Folie douce (1951)

My wife had the Couscous. Although it may be cold here, you can keep the frosty feet away by dancing on the table tops. Once the word gets out, however, about the quality, quantity, freshness and cost of the lunch meals, this place is going to fill up.

### La Folie Douce Hotel

Book a VIP table and let the Folie show fire up a feast of entertainment. More For the last several years when we make our week long pilgrimage to the North Coast, I had always enjoyed sitting at the bar table watching the well timed choreography of the skilled kitchen staff. More Both my wife and I are locals, but we travel a lot and enjoy sophisticated food.

### Folie douce (1951)

. I had the Duck Tajine; very good, but a small serving. At dessert, I had noticed on the menu specials blackboard on the way in, a blueberry sage sorbet.
