defend its interests but also seek to uphold the liberal international order.

The Conservative Realism of the Trump Administration's Foreign Policy

One of the social issues I have more conservative beliefs on is government assistance. They viewed Gaddafi as a deeply immoral man.

Conservatism and Common

Foreign policy encompasses conservative debate on the ideals and practice of American foreign policy, moving among isolationism, realism, and neoconservatism.

These words really made me think in a whole different way. So I am here to show why conservatism is better for countries than liberalistic ideas. Hence by necessity it must associate itself with a realist epistemology and ontology.

Personal Ideology: Socially Conservative Vs. Conservative Ideas

Of course I understand why taxes are necessary and why the Country could not function without them, but I do feel that the tax system as is currently, is a little corrupt and favors the lower class America. Lower taxes is something that I especially agree with. In the book, To Kill a

Mockingbird, real courage is demonstrated in a different and encouraging way.
