This edition was published in 2001

Filesize: 22.21 MB

Tags: #You #are #required #to #answer #ALL #the #questions #related

### You are required to answer ALL the questions related

This would, of course, mean you get your professional certification without spending too much money on repeating the exams.

### Completing your PER

Work experience involved None involved in qualifying, but the qualification is designed to accompany relevant work. Others with an accounting background and a few exam exemptions may find it notably easier. Number of exams Assignment-based and two exams.

### European Accounting Qualifications Explained

He mainly focussed on vouching the additions for the year.

### ACCA

Adequate planning The first stage to success is effective planning. Having had three years of practical training under the supervision of an authorised or approved public accountant and worked on audits of annual accounts of companies and groups of companies or similar financial statements, students must pass an examination of professional competence as approved public accountant revisorsexamen.
