Art And Social Change: Contemporary Art In Asia And The Pacific

Filesize: 42.48 MB

Each artist speaks across all the social

strata that have made them individuals, and draws on whatever is appropriate to make the works that allow them to communicate, to themselves and others, what is burning to be said. Students are referred to early registration and registration booklets which contain specific instructions regarding this selection and other special registration procedures. Nov 30, 2007: Advocates start final arguments.
