Financial Accountability: Agencies and Audit

The Appendix to this paper provides short 'case histories' of Defence Department project management which have attracted adverse findings from either the Audit Office, the Parliamentary Committee system or in some cases both. During the Second World War a major allied submarine base had been established at Fremantle but the RAN operated no submarines in that conflict having, briefly, only an impounded ex-Netherlands East Indies boat which was restricted even more briefly to training activities. Australia has no domestic operational experience to assist the development program and the user organisation, No 2 Squadron, is being created within the Project Office.

Home Ownership on Indigenous Land Program

The HOIL program was to achieve a number of immediate and long-term targets as set out in its Implementation Plan and IBA's Portfolio Budget Statements and Portfolio Additional Estimates Statements.

II. Monetary policy: inflation targeting in action.

Nick Minchin, Minister for Industry, Science and Resources, The Hon. For the same reason, they were probably unable to provide sufficient engine compartment space and battery storage to allow significant improvements in submerged endurance and indiscretion ratio. Portfolio departments - mandatory 9, 23—26 17AE 2 Where the outcomes and programs administered by the entity differ from any Portfolio Budget Statement, Portfolio Additional Estimates Statement or other portfolio estimates statement that was prepared for the entity for the period, include details of variation and reasons for change.

cap regulation, profitability and returns to investors in the UK regulated industries

The profit margins of the greatest water multinationals - Suez-Lyonnaise and Vivendi - worldwide, also show a much lower return than that enjoyed by the UK companies. If the supplier can not meet requirements, the words of former Defence Minister Moore may still come to be true: 'these things will be damn near 20 years old before they're properly going'. Deciding how to best shape the ADF to contribute to national security in current circumstances is done on the basis of understanding Australia's geography and analysing the environment of regional military capabilities.

Financial Accountability: Agencies and Audit

In Scotland and Northern Ireland however water remains controlled and operated by public authorities. While the concept of public ownership of a vital economic resource is laudable, the prospect of Yorkshire Water profiting from its catalogue of failures is not.
