In fact, several early authorities presented a drastically different interpretation of the ḥadīth than the one promoted by Hamza.

### Maps, Weather, and Airports for Mahallat Marhum, Egypt

Concrete history is here assimilated to hagiographical apologetics. Features Aiming to introduce to readers who are unfamiliar with the Islamic and Shī'a thought and willing to have a comprehensive view on this school of thought, Shī'ite Islam introduces a broad range of information about Shī'a, ranging from discussions on historical emergence of Shī'a to its specific jurisprudential methodology and delicate spiritual teachings, in a simple and easy to understand way. Thus, the ḥadīth simply cannot be cited to explain the tribulations faced by the Syrian people today for merely demanding their rights.
