## Women and Poor Relief in Seventeenth

In France, women were leading figures in this movement: lay women engaged in a variety of charitable works, and new religious orders, such as the Visitandines and Ursulines, took their place among the ranks of female religious communities.

## Books: 'Poor, france'

In a welcome addition to Ashgate's series Women and Gender in Early Modern Europe, Susan Dinan examines how the Daughters of Charity, a confraternity of women religious, made significant contributions to poor relief in the seventeenth century. Burlington, VT : Ashgate , 2006. Although the Council of Trent mandated claustration for all female religious, the founders of the Daughters of Charity, Vincent de Paul and Louise de Marillac, deliberately misled church officials by insisting that this community was a confraternity, not a religious order, in order to avoid enclosure.
