Globalization

She has published many journal articles and book chapters and several books: *The Endangered Sex: Neglect of Female Children in Rural North India*, 2nd ed.

Cultural Anthropology in a Globalizing World by Barbara D. Miller

Many anthropologists and others have provided encouragement, suggestions, feedback, references, and photographs. While archeology is the study of past human cultures by materialistic remains, linguistic anthropology is the study of human communication, including its origins, history, and variations.

FREE Cultural Anthropology in a Globalizing World by B. Miller Essay

PowerPoint software is not required to use this program; a PowerPoint viewer is included to access the images. Integrating current material on globalization, gender, class, race, ethnicity, and other contemporary social issues throughout the book, Barbara Miller's *Cultural Anthropology in a Globalizing World* text engages students with compelling ethnographic examples and demonstrates the relevance of cultural anthropology to their lives.
