**trilobite instars**

The Ashgillian-Llandoveryan cheirurines of the Percé area are reviewed and new generic assignments suggested; these are a major component of the Pabos trilobite fauna. They have routinely been confused with the older Dapingian calymenoidean taxon *Protocalymene* Ross, 1967. Palynology, 40 sup1 2-131 Evitt also authored numerous papers with silicified early growth stage trilobites from Virginia: Evitt, W.
