## Essay on Simple Living High Thinking for Students

As a result, he could inspire the elite as effectively as he could sway the masses.

## Mahatma Gandhi

He has become abstract, ahistorical, postmodern, no longer a man in and of his time but a freeloading concept, a part of the available stock of cultural symbols, an image that can be borrowed, used, distorted, reinvented to fit many different purposes, and to the devil with historicity or truth. This foolhardy project is expected to harm the environment and biodiversity on an appalling scale, by flooding large territories of jungle and arable land. Nehru pointed out the danger that India might become a land of masochists who made a fetish of suffering.

## Importance of Gandhian thoughts about Cleanliness

No country can grow by causing trouble to another country. All-round development implies harmonious development of human personality in a balanced manner-hand, head and heart.

## Biography of Mohandas Gandhi, Indian Freedom Leader

Gandhiji believed that decentralisation was essential for the survival of democracy and for the establishment of a non-violent state.

## Mohandas Gandhi

Spittle, mucus from the nose, etc, should also be covered with earth.
