Certes, le berger Melibee qui invite Calidore dans son logis lorsque la nuit tombe VI. During their lifetimes he was more famous in Europe, not only than Spenser, but also Shakespeare. The second question, though, is more than a restatement of the first.

Spenser, Edmund 1552?

If the proportion of generalization to discussion of specific passages had been altered in favour of the latter, the book would have been more enlightening.

Spenser, Harvey, and the strange poetics of the Shephearde's Calender.

The gloss notes that the word commeth of the verbe Conne, that is to know or to have skill. As well interpreteth the same the worthy Sir Tho.

Spenser's Horizon

Cette pétrification du personnage, comme doublement enchanté par des spectacles qui forcent le poète à suspendre sa narration et à étouffer la parole, a pour effet de le plonger dans une rêverie qui dure même après la fin du spectacle. Pastoral is a highly self-conscious genre, especially in Spenser's explorations of the imaginative world of Colin Clout.
