## THE BRITISH POLITY

Thompson argues that crime was defined and punished primarily as an activity that threatened the status, property and interests of the elites. A quarter of the land was owned by the Church.

## BSHP

For Dickens, only a few years later, the poor were his main subject, as he had partly suffered their fate. He was previously British Ambassador to Senegal and non-resident Ambassador to Cape Verde and Guinea-Bissau from May 2011 to 2015. The Journal publishes scholarly articles on all areas of crime and criminal justice: from policing to sentencing, community penalties and prisons; from crime prevention to victims of crime; and from the social impact of crime prevention technologies to the study of social harms.

## The British Polity by Philip Norton

At the top of the scale, the legal profession succeeded first, establishing specialist training and associations, and was soon followed by the medical profession. Prewar levels of prosperity did not return until the 1950s. The 's early television service was given a major boost in 1953 with the coronation of , attracting an estimated audience of twenty million, proving an impetus for middle-class people to buy televisions.

## Homepage

The peasants' new-found freedoms were very worrying to the authorities, who passed laws specifying the maximum that a peasant should be paid, but this had little effect on wages. Sewage works were improved as was the quality of drinking water.

## BSHP

The austere, fundamentalist on the one side was opposed to what it saw as the crypto-Catholic decadence of the on the other.
