JIAN DAN AI

Teach us to trust in You with all our heart to lean not on our own understanding cause we just forget You won't give us what we can't bear Take us out of the dark our Lord We don't want to be there Yeah, My Lord Teach me to trust in You with all of my heart to lean not on my own understanding 'cause I just forget You might give me what I can't bear Take me out of the dark My Lord I we don't want to be alone You take me out of the dark,My lord i don't want to be there,ooh,ooh.
